THIS IS

YOUR CAMP

We are grateful for your support and partnership this past year - through attending a camp, conference, or mission trip; through allowing our students to volunteer with your ministries; through reading and writing devotions for d365.org; or through your generous donation to our ministry. There were 515 individuals, churches, and foundations who supported our work this year. This Annual Report will share stories and statistics to give a broader understanding of the work we do, as we celebrated our 26th year in student ministry!

Our attendance numbers reflect thousands of hours of service and learning across fourteen locations in eight states. Our churches came from 17 states; many of them hold fundraisers during the year so they can join us for a week each summer.

PASSPORT is an ecumenical ministry, providing discipleship and mission opportunities for thoughtful churches from many denominations. Our goal is to help Christian young people grow into their faith while providing them moments to turn that faith into action. Your support is important to our future.

THANK YOU.

*"We can not accept that we are enough
without our neighbor being enough.
We must stand together as neighbors
in God's home, especially with those that
look, speak, and talk differently than you."*

- E.J. Green, Camp Pastor

THIS IS

YOUR FAITH

At our youth and children's camps, our students spend time in personal devotion, small group Bible study, evening worship, and round the day out with Church Group Devotions. It is a week of spiritual formation. And this is the core of what we do - try to deepen the faith of the students who join us each summer.

Camp Discipleship Hours: 46,504

Beyond the summer, we produce an online multimedia devotional experience written with students in mind. d365 offers a new daily devotional online and on smartphones, meeting students where they are. We appreciate our sponsoring partners: The Cooperative Baptist Fellowship, The Episcopal Church, and the Presbyterian Church (USA). In addition to their support, hundreds of readers also contribute to d365 during our annual appreciation week - the second week of Advent.

"Thank you for your app and your thought to reach people. I have been looking for a new devotional and all of my prayers lately brought me to a peaceful place with myself as I was reading. Blessings." - Leah, d365 reader in Tennessee

PASSPORT

THIS IS YOUR LEADERSHIP

PASSPORT hires college and graduate students, and young professionals, offering leadership development in a nurturing and spiritual environment. After 25 years our summer staffers are now all over the world, serving, ministering, teaching, healing, and leading nonprofit ministries. One-in-three PASSPORT summer staffers now serve in full-time ministry all over the world.

Meet Wyahee Tuckile. Wyahee, a Sociology Major at Grand Canyon College, lives in Los Angeles, California. She has worked three summers of Passport.

“Working Passport is by far one of the best decisions I’ve made. At camp, I am able to empower youth to be all God has called them to be, and that has empowered me to do the same in my life.”

Meet Anna Beth Mann, a first-year Divinity student at Truett Seminary, living in Waco, Texas. Anna Beth has worked two summers of Passport.

“Passport has given me practical and meaningful ministry experiences, opportunities to serve intentionally in various capacities, and a welcoming community that encourages me in my vocational calling.”

Meet Sami, Jon, Nehemiah and EJ, who served at PASSPORT *choices* in 2018. They took this photo just as the team was gathering to lead camp worship.

PASSPORT

THIS IS YOUR

COMMUNITY

PASSPORT is all about community. Embracing community is in our mission statement, and building community is one of our camp goals. A beautiful, diverse Christian community is formed each week because of the multiple churches attending each session - from around the country, and from multiple denominations.

In addition, Passport campers venture out to the community surrounding our host campuses so that they can volunteer with service agencies like Peace Haven Community Garden in Greensboro, The Heights Community Development Association in Memphis, Salvation Army's Family Store in Danville, and the Harvest Hope Food Bank in Greenville.

At PASSPORTkids, campers experienced a mission simulation learning first hand about the discrimination Roma people face all over the world. They also celebrated Roma culture at our Night Market - tasting, learning, dancing and exploring as they "migrated" through four European countries.

Each summer we take up an offering for those we serve at MissionBASE. Participants gave \$2,049.07 to the ministries they served in DC, Atlanta, and Memphis. The youth and children's camps give toward a global mission. This summer, we learned about the Roma People and gave \$42,174.13 to educational projects focused on Roma children.

PASSPORT

THIS IS YOUR

STEWARDSHIP

PASSPORT is a nonprofit ministry. The churches who join us do pay registration fees for their students to attend, but this income doesn't cover all of our expenses. To help us get there, we need the help of people like you - who believe in the value of our God Box opening, worldview expanding, Christ-centered ministry to continue our work into the future. We are now well into our third decade of empowering students to move toward the world bringing grace and justice as they go.

You are receiving this annual report because you have supported us, partnered with us, or attended one of our programs. Would you consider a first gift to help us bridge our financial gap? If you have given this year, would you consider an end of the year contribution to keep us moving forward? If so, please use the envelope provided or visit passportcamps.org/donate to give online. Your support keeps camp affordable and helps us live into our mission to empower students, to embrace community, and to extend God's grace to God's world.

PASSPORT IS GRATEFUL

The following is a list of our supporters for this past fiscal year (October 2017-September 2018). We also say thank you to the PASSPORT Board of Directors, who allow us to dream and help us root those dreams to reality. Donations were made to one or more of the following: a general gift to PASSPORT, Camp Scholarship Fund, PASSPORT Matters Capital Campaign, Watering Malawi, or d365.org. Thank you for your generous support!

School Bathrooms

“Before we got a bathroom at school we would walk into the grass. Sometimes we would meet snakes.”

This school in Southern Malawi now has safe, clean bathrooms for their students and a place for them to wash their hands.

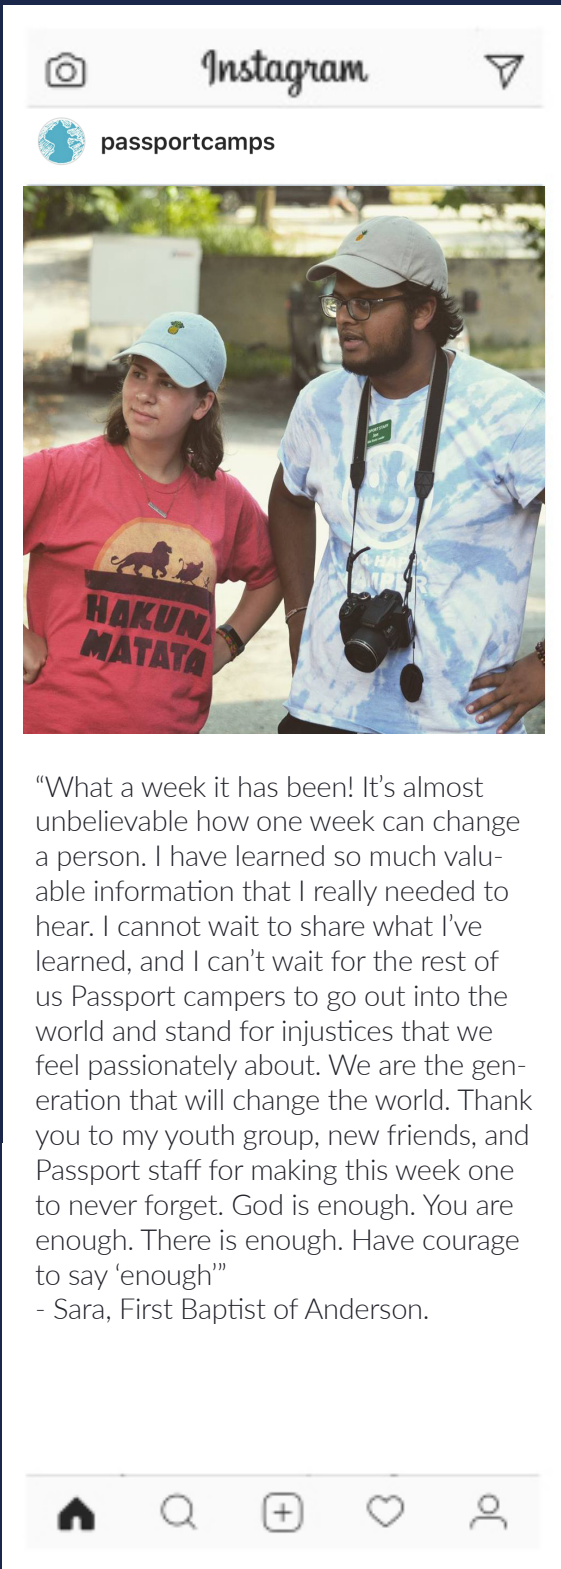

WATERING MALAWI

For twelve years and just over \$ 1,000,000 Passport students and their communities have continued to support sustainable solutions to water poverty in the country of Malawi.

Founder, Colleen Burroughs, returned in 2018 to see the ongoing progress of your commitment to this life-giving work. The work of our in-country partner organizations has shifted from building wells to rehabbing existing ones and our focus has generally moved from irrigating gardens to more sanitation projects in schools. We have seen, first hand, the difference it makes for Malawian children's health and the success of their educations when they have access to a working bathroom and a place to wash their hands.

Photo: The drops of light in this elementary school class room look like magic on a sunny day. But when it rains through the holes in this roof, little learners get wet.

“What a week it has been! It’s almost unbelievable how one week can change a person. I have learned so much valuable information that I really needed to hear. I cannot wait to share what I’ve learned, and I can’t wait for the rest of us Passport campers to go out into the world and stand for injustices that we feel passionately about. We are the generation that will change the world. Thank you to my youth group, new friends, and Passport staff for making this week one to never forget. God is enough. You are enough. There is enough. Have courage to say ‘enough’”
 - Sara, First Baptist of Anderson.
