

PASSPORT*kids* 2024

PASSPORTkids is a 4 day, 3 night children's camp filled with fun faith-building programming and hands-on missions education. It is for children who have completed 3rd – 6th grade.

2024 Theme: Oceans cover most of our planet. Streams sustain life for the tiniest and tallest of creatures. Our bodies are mostly made of it. Water is life, both physically and spiritually. The Bible uses images of water to help us understand more about who God is and how to trust in the Living Water. Discovering the power and the presence of God's Spirit in our lives can feel like rain on a dusty garden. All of you who are thirsty, come to the water! - Isaiah 55:1a
