PASSPORT

Welcome to our 2024 Annual Report! On the following pages, we will share some highlights about our 32nd summer of ministry to children, youth, and young adults. Our ministry focuses on summer camps, seasonal conferences, and daily devotions at d365.org.

You are receiving this report because you participated in or donated to PASSPORT or d365 within the last few years. Because of your support, we want to be accountable to you and show you a summary of what we accomplished, through God's grace, this past year.

We'll start by sharing some summary statistics, and then you can read more details about our programs on the following pages.

At PASSPORTkids, campers spent the summer learning that God invites them into a deeper relationship with God and one another.

College-aged students provided the necessary leadership and guidance, helping campers understand what it means to say yes to God's invitation to *Come to the Water*. Campers, with the help of PASSPORTkids staffers, explored the theme in Bible Study, Worship, Celebrations, and afternoon activities. Each night in Worship, campers were invited to participate by reading scripture, saying prayers, doing interpretive dances, and singing.

PASSPORT*choices*sm

We were thrilled to reintroduce the PASSPORT*choices* program for the first summer since 2019. This summer, we held five PASSPORT*choices* sessions at Converse University in Spartanburg, SC.

At PASSPORT*choices*, we put into action our belief that each person is created uniquely by God, gifted with dreams and interests to share with the world! We invite students to lean into the question, “What makes your heart sing?” Whether a student feels drawn to express their faith through painting on canvas or discussing leadership after a game of ultimate frisbee, there is a space for everyone to feel seen and valued.

Through activities during Choice time, thoughtful conversations in Bible Study, or quiet moments in worship, our campers are invited to consider where God might be meeting them and calling them beyond themselves.

At PASSPORT*missions*, students spent five days and four nights experiencing the excitement of summer camp with the heart of a mission trip. In the morning, campers studied the Bible, and in the afternoon, they put their feet to their faith by serving with local organizations, which offers students the chance to do meaningful work while learning about the ministries of our partners.

Our staff traveled to five states this summer and hosted six sessions of camp. In total, PASSPORT campers, chaperones, and staff contributed 11,347 hours of community service! Everyone was welcomed and loved, and students were challenged to think beyond themselves and consider the impact they could have worldwide. Passport campers volunteered their time with 48 community service organizations.

PASSPORT *Puerto Rico*

Over the last two years, Passport has been planning to expand our partnerships in new ways and in new places. We started conversations with our networks of churches and together decided to host a camp in Puerto Rico. In 2023 Passport hired six students from Puerto Rico to introduce them to the Passport camp experience. In 2024 we hired nine staffers from Puerto Rico, where they brought new life to all three summer programs. At the end of the summer, we pulled leaders from all three teams and headed to Puerto Rico!

Three stateside churches joined three congregations from Puerto Rico and we had a beautiful, bilingual, multicultural inaugural week of camp. We look forward to returning in 2025 and beyond.

LEADERSHIP

"Working at Passport is a unique experience where I was able to travel to new places, challenge myself to do things I never imagined doing, and meet strangers who become family. But better than that, is feeling God's presence in each of the campers I interact with throughout the summer."

-Victoria Díaz Bosch, Missions Bible Study Leader

"Working at Passport is the most rewarding experience I have been able to be apart of. Being a part of the staff was truly like being a part of a family of faith that allowed me to be myself and feel loved by God for who I am. Being able to teach the word of God and experience worship with so many like-minded Christians was truly remarkable."

-Dakota Felton, Kids Bible Study Leader

"Working at Passport gave me the opportunity to feel affirmed in my calling while developing my leadership skills in a welcoming and supportive environment."

-Taylor Long, Choices Camp Pastor

D365 is a mobile app and website offering a new daily devotion every day of the year, now offered in both English and Spanish! On July 1, 2024, we began daily devotions in Spanish and are watching our site grow as a result. One week, an English speaker writes the devotions for us and those are translated into Spanish. The next week, a Spanish speaker writes the devotions and those are translated into English. Help us spread the word - in both languages!

WE HIRED TWO NEW EDITORS!

Rev. Laura Edgar is the English Language Editor for d365. She lives in Auburn, Alabama, where she serves as the Associate Pastor for Youth, College, and Young Adults at Auburn First Baptist Church.

Laura says: "I'm grateful to be part of d365 and its commitment to engaging with a wide variety of voices as we offer devotions that are accessible and meaningful for people in all stages of their faith journeys. It's incredible to learn from writers of different denominations and backgrounds and to connect with readers all around the world."

Rev. Daniel Andrés Rivera Rosado is the Spanish Language Editor for d365. He is an ordained minister of La Iglesia Cristiana (Discípulos de Cristo) en Puerto Rico and serves as the director of Instituto Bíblico JFU.

Daniel Andrés says: "Having the opportunity to collaborate in the spiritual development of youth, with a relevant and practical project such as d365 has been a great blessing. As a Puerto Rican and Latin American, I believe the expansion of this project will help bless others in Spanish-speaking contexts to grow, learn, and respond to la misión de Dios (God's mission)."

Devotional writers came from six denominations:

- | Cooperative Baptist Fellowship
- | Disciples of Christ
- | Evangelical Lutheran Church in America (ELCA)
- | Presbyterian Church (USA)
- | The Episcopal Church
- | United Methodist Church

EXPENSES

Passport, Inc. is a 501(c)(3) nonprofit ministry uniquely situated to offer theologically sound and creative camp experiences each summer. While our participating churches pay a registration fee, this revenue stream does not cover all of our expenses– and keeping camp at an accessible price point remains a top priority. With that goal in mind, we rely on your generosity to help close the gap. Our camp experiences lead children and youth to discover more about themselves and their faith while inviting all of us into God’s call to help bring grace and justice to the world. Your participation with Passport is integral, and we are deeply grateful for your role in supporting the next generation of the church.

To donate today, you can visit passportcamps.org/donate, or you can scan this QR code and make a donation with just a few clicks.
