

PASSPORT 2021

ANNUAL REPORT

With Christ as our foundation,
Passport empowers students
to encounter God,
embrace community, and
extend grace to the world.

YEARS OF PASSPORT

Thanks for supporting PASSPORT this year. This annual report shares highlights of work done in our 29th year, as we begin our 30th year of ministry next year!

PASSPORT is an ecumenical ministry, providing discipleship and mission opportunities for thoughtful churches from around the country. We hosted camp in the midst of the Delta variant surge. We hosted millions of visits to our devotional site, d365. Through it all, we felt God's guidance. Thank you for joining and supporting us this year.

David Burroughs,
President Passport, Inc.

This summer our camp theme was Story - God's story - and how we are invited to be part of co-writing the next chapters of God's story in the world.

At camp, we adjusted everything to keep our then-unvaccinated campers safe. We split the church groups into four houses who traveled the week together, reducing everyone's exposure by 75%. Large events were held outside, and masks were required indoors.

These, and many other mitigation strategies allowed us to host 13 sessions of camp in 8 locations for 148 churches with zero cases of COVID-19!

30 YEARS OF COMMUNITY

With COVID-19, our community involvement looked different this summer, but we still engaged our neighbors and learned about global efforts, focusing on North Macedonia. Our campers raised money to support the purchase of land for the Food Bank of Macedonia, and other ministries of CBF Macedonia.

Our youth volunteered with local mission agencies one day of the camp week, and our work was all outdoors, or in large warehouse spaces for safety.

YEARS OF LEADERSHIP

PASSPORT hires young women and men and offers them a nurturing environment to develop leadership and ministry skills that last a lifetime. We are proud to say that after 29 years of ministry, a third of our former staffers serve in full-time ministry roles. Our alumni are chaplains, ministers, missionaries, nonprofit executives, teachers, and thoughtful members of local congregations.

This year, we are highlighting former staffers from across the decades! On the next page meet Rev. Meredith Forssman, Rev. James Blay, and Dr. Andy Watts - who each served as a Passport summer staffer.

SPOTLIGHT

The most important lesson I've learned from my many summers working at Passport Camps is that building and nurturing relationships is very important as you grow and explore your faith and capabilities as a leader. Passport provided many growth opportunities to me and offers that to so many others.

Working at PASSPORT, I saw the beauty of a community where everyone can answer God's call. Whether preparing campers to lead in worship or directing a staff team, I learned to be a leader who encourages others to serve and lead. Today, helping folks in my congregation discover their God-given gifts for ministry is an integral part of my pastoral role.

When I think about my years on a Passport team, many lessons fill my head. I learned a lot about myself and my growing friendship with responsibility. What stands out is a life-long understanding of what it looks like to run a business with "friends in Christ." David and Colleen consistently demonstrated how important mutual respect and affection are for building community. This ethic has shaped my professional identity in my own work.

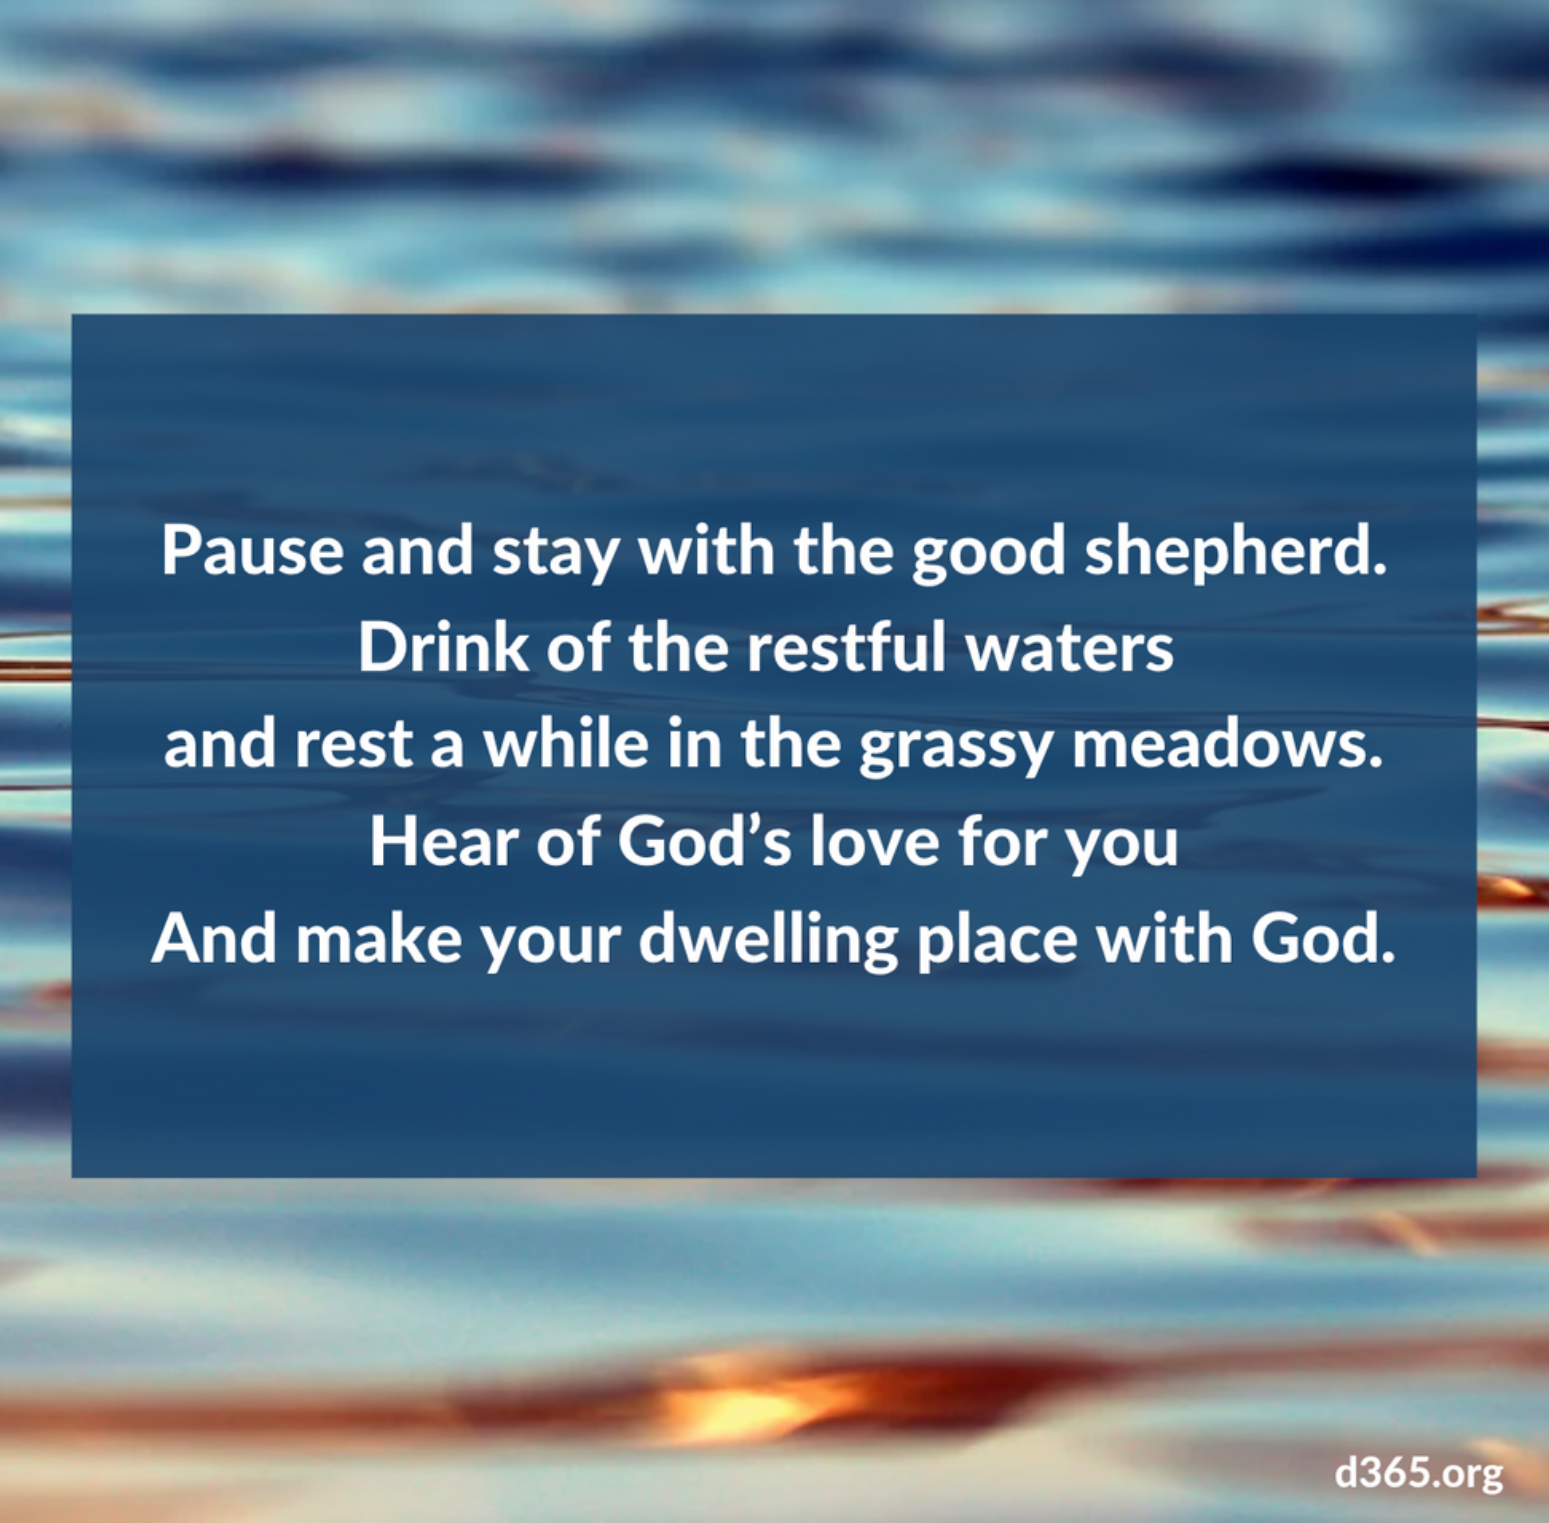

Devotions 365 days a year

In 2021 d365 hosted:
2.8 Million Sessions around the World

PASSPORT thanks our d365 partners
The Cooperative Baptist Fellowship
The Episcopal Church
The Presbyterian Church (USA)

d365 is a free daily devotional focused on youth and young adults. We are putting scripture in the hands of teenagers where they live - on their phones and devices. Partner support, along with donations from our readers, allows us to keep d365 cost-free and ad-free.

Pause and stay with the good shepherd.
Drink of the restful waters
and rest a while in the grassy meadows.
Hear of God's love for you
And make your dwelling place with God.

30 YEARS OF STEWARDSHIP

Passport, Inc. is a 501(c)(3) nonprofit ministry serving the local church by providing camping and discipleship opportunities to their young people. While our participating churches pay a registration fee for camps, this income does not cover all Passport's expenses. Many of you reading this have helped us cover that gap, and we are grateful.

As we move toward the end of this year, would you consider a gift to help us continue our ministry? The future of our work depends on your generous support.

Your support helps us live into our mission to empower students to embrace community and extend God's grace to the world. You can give online in just a few steps on our secure site:
